

RHYTHM TIME WITH GEORGINA

Fun Music Classes for Under 5's

Meet Georgina, owner of the Rhythm Time Leeds franchise!

Georgina Taylor and her team of teachers offer multi-sensory music and singing classes to babies, toddlers and pre-schoolers across Leeds.

Georgina learned to play the piano and violin when she was younger, and she's very passionate about the benefits of music and singing in early years.

She absolutely loved attending Rhythm Time classes with her own children. Now, together with her team, she feels lucky to teach these wonderful, fun and developmental classes at Music House. Georgina cannot wait to welcome more babies and toddlers and young children.
