Start Your Child's Musical Journey

Our 6-week Beginner Group Piano Course offers a fun and creative introduction to music for children aged 7 to 14 years (Key Stage 2 and 3).

Why choose Piano

Learning piano helps build confidence, improves focus and develops co-ordination. If your child is curious about music or dreams of becoming a pianist, this course provides the perfect foundation in a fun and encouraging setting.

We'll provide the piano/keyboard, so that's one less thing for you to think about.

Your child will learn...

- Basic keyboard skills and hand positioning
- Playing simple melodies and chords
- Building confidence in rhythm and timing
